### ***PRESS RELEASE***

#### **City of Indian Rocks Beach is monitoring the disturbance in the Caribbean**

The City of Indian Rocks Beach is monitoring the system in the Caribbean. No determination has been made about the issuance of sand to IRB residents & property owners. City of IRB Team Members are taking initial precautions to prepare. We will continue to monitor the situation of the weekend. The City encourages residents & property owners to take precautions to protect their property. If we remain in the cone sand will be available to Indian Rocks Beach residents and property owners only, at 1:00 PM on Monday, September 26<sup>th</sup>. Another press release will be issued Sunday, September 25, 2022.

For further information:
