## PRESS RELEASE

### Florida Division of Emergency Management Elevate Florida Information Sessions

Elevate Florida is a first-of-its-kind, groundbreaking statewide residential mitigation program. Led by the Florida Division of Emergency Management (FDEM), this program is designed to protect homes and communities by reducing damage caused by natural disasters like hurricanes and floods.

The Florida Division of Emergency Management is offering information sessions on the Elevate Florida program. Learn about eligibility requirements, types of projects available, and receive on-site assistance with your application.

Detailed information on the information sessions can be found on the attached flyer and additional information about the Elevate Florida program is located at the following link, <https://www.floridadisaster.org/ElevateFlorida>.
