2. FISCAL YEAR 2025-2026 BUDGET PUBLIC HEARINGS:

A. ORDINANCE NO. 2025-03 -- PUBLIC HEARING / FIRST READING

Adopting the final levying of ad valorem taxes for the City of Indian Rocks Beach, Pinellas County, Florida, Fiscal Year 2025/2026; providing for notification of requisite government authorities; and providing for an effective date.

City Attorney Maggard read Ordinance No. 2025-03 by title.

Mayor-Commissioner Houseberg opened the public hearing. No public comments were received. Public hearing closed.

City Attorney Maggard noted for the record that the millage rate of 1.7300 will produce a total estimated tax collection of \$3,574,070 based on a 97% collection rate. The annual rate of 1.7300 is 2.80% higher than the rollback rate of 1.6829.

Acting City Manager Comments: Acting City Manager Carpenter provided context on the millage ordinance:

- Hurricane impact occurred after January 1st assessment date, limiting immediate effect on current year values
- City only experienced 0.76% increase in assessed values (less than 1%) contrasted with double-digit market value increases
- Future assessments may be impacted by hurricane-related demolitions and reconstruction
- Current millage rate of 1.73 has been maintained for several years and was actually lowered three times since 2017
- City's 1.73 millage represents only approximately 11% of residents' total property tax bills, with the remainder from county, school board, and special districts

Acting City Manager Response: Acting City Manager Carpenter explained:

- Solid waste fees do not require the same formal notification requirements as water and sewer rates
- The city bills for solid waste collection service on properties regardless of occupancy status, consistent with the city's historical approach for a transient community with snowbirds and second homes
- Properties must be officially declared demolished through county certification to be removed from billing
- The ordinance is structured with a base fee for service availability rather than usage-based billing
- Rate increase represents approximately \$1.75 per month for residential properties (from \$38.62 to \$40.55 monthly)
- Effective date is October 1st, with transitional billing to accommodate monthly billing cycles
- Some residents who lost homes in the hurricane have been removed from billing upon receiving demolition certificates, but occupied or occupiable properties continue to be billed under the existing ordinance structure

**CITY OF INDIAN ROCKS BEACH
CITY COMMISSION AGENDA MEMORANDUM**

FOR MEETING OF: October 14, 2025

Agenda Item: 5E

SUBMITTED BY: Lorin A. Kornijtschuk, City Clerk

AUTHORIZED BY: Dan Carpenter, Acting City Manager

SUBJECT: First Amendment to Interlocal Agreement with Pinellas County for Building Services and Impact Fee.

BACKGROUND:

The City of Indian Rocks Beach entered into an Interlocal Agreement with Pinellas County on February 18, 2020, to share responsibilities between the corresponding building and development review departments. Under Section 12(i) of the original agreement, the City has been responsible for computing and collecting the County's multi-modal impact fees.

Recent amendments to Section 163.3180, Florida Statutes, now require counties and municipalities that charge developers transportation impact fees to enter into interlocal agreements with minimum standards, ensuring that developments are not charged twice for the same transportation capacity impacts.

The proposed First Amendment ensures compliance with the updated state law requirements and clarifies the City's responsibilities for collecting both City and County impact fees. Key provisions include:

- Collection of City of Indian Rocks Beach Development Impact Fee and Recreation Impact Fee per City Code requirements
- Continued responsibility for computation and collection of Pinellas County multi-modal impact fees
- Establishment of a trust account exclusively for County impact fees
- Annual transfer of one-half of collected fees (less administrative costs) to the County on October 1st
- Agreement that developments will not be charged twice for the same transportation capacity impacts

The amendment maintains the existing working relationship while ensuring legal compliance with updated state requirements.

MOTION:

That that the City Commission approve the First Amendment to the Interlocal Agreement with Pinellas County for Building Services and Impact Fee Collection and authorize the Mayor-Commissioner and the Acting City Manager to execute all necessary documents and agreements.

SUBJECT: **ORDINANCE NO. 2025-05;** Appropriating funds for operating expenses and adopting a budget amendment for the City of Indian Rocks Beach, Florida, for Fiscal Year 2024-25.

The total approved budget for fiscal year 2024-25 was \$10,593,730, of which \$5,381,270 was allocated to the City's general fund, and \$1,763,290 to the solid waste fund.

The budget may be amended in two ways: an informal budget transfer, requested by department heads and approved by the City Manager, that transfers dollars between line items within a department or from one department to another; or a budget amendment which increases expenditures, or the spending level of a fund, as requested by the City Manager and approved by the City Commission.

APPROVED BY: Dan Carpenter, Acting City Manager

SUBJECT: Discussion of possible Paid Parking Program for IRB

BACKGROUND:

As the City Commission may be aware, Parking has been a topic of discussion for multiple years – Beach Parking, On-Street Parking, Decal Parking, Resident Parking, etc.,etc.

The information provided below is for review and discussion in regards to the possibility of Indian Rocks Beach implementing a Paid Parking Program throughout the City.

Parking Spaces within the City that could be utilized for a Paid Parking Program include the following:

Beach Accesses – 260 spaces =
17 Handi-Cap – 61 Resident and 182 Public

Business District – 112 spaces =
3 Handi-Cap, 3 Resident and 106 Public

Nature Preserve – 28 spaces =
3 Handi-cap, 3 Resident and 22 Public

Kolb Park – 20 spaces =
2 Resident and 18 Public *

(*Additional parking spaces will be delineated at this location upon development of a Parking Plan.)

TOTALS =

Multiple municipalities in Pinellas County have implemented Paid Parking Programs as follows (all dollar amounts are Per Hour):

Clearwater Beach – Park Mobile – \$3.00 Public/Private Parking Lot = Weekday & Week

Should the City Commission deem the Paid Parking Program a viable option, the City staff could implement this through a Smart Parking and Mobility App Program that utilizes a contactless approach to help people easily find, reserve, and pay for parking on their mobile devices for on- and off-street parking.

There is an active Agreement that the City of Belleair Beach and the City of St. Petersburg have in place with ParkMobile, LLC that the City could utilize.

Highlights of the ParkMobile Contract would include:

ParkMobile would act as the Merchant of Record
City would agree to pay ParkMobile \$0.20 + 3% of the total transaction amount per transaction
ParkMobile remits amounts due to City in arrears the following month
