City of Indian Rocks Beach Appoints New City Manager

The City of Indian Rocks Beach is excited to announce the appointment of Ryan Henderson as City Manager.

“Ryan brings a proven record of municipal leadership, strategic planning, and community engagement,” said Denise Houseberg, Mayor of Indian Rocks Beach. “His experience managing rapid growth while protecting community character aligns with Indian Rocks Beach’s priorities for resilient infrastructure, fiscal stewardship, and exceptional resident services.”

Mr. Henderson most recently served with the City of Anna, Texas, where he led multi-year capital improvement programs, strengthened organizational performance, and advanced initiatives in public safety, parks and recreation.

The City Commission selected Mr. Henderson following a competitive recruitment and interview process that included four finalists. His first day will be October 25, 2025, with transition activities beginning earlier in October to ensure continuity of operations.

Mr. Henderson will be available at the annual City of IRB Hallowfest on Saturday, October 25, 10:00 am-1:00 pm at Kolb Park, to meet with residents.
