Re: McDonald's Golden Grants Award

On November 4, 2025, the City of Indian Rocks Beach was notified that our library will be receiving a \$10,000 Grant from McDonald's Golden Grants program to help in funding the library's monthly story time.

The Golden Grants program is an initiative by McDonald's aimed at supporting local communities, particularly focusing on education and nonprofit organizations that serve children aged 5 to 18. McDonald's owner/operators across Florida select deserving educators, non-profit organization and the like, who represent programs that fuel the imagination, education, and growth of students, as recipients of a McDonalds's Golden Grant.

I would like to acknowledge the work of our neighbor Erin Fabrizio for finding this grant and submitting the application on behalf of the Friends of the Indian Rocks Beach Library. The Friends will be receiving the award on November 19, 2025, between 10-2 at the library.
