PRESS RELEASE

PSFRD Station 75 Opening Celebrates 75 Years of Service

The Pinellas Suncoast Fire & Rescue District invites neighbors and community members to celebrate the opening of Station 75 and the District's 75th anniversary on Friday, October 16, 2026, at 3:00 p.m.

The celebration marks two milestones: the opening of an innovative fire station and 75 years of service to the community.

Station 75 features a residential-style design built to support firefighter wellness while saving taxpayers millions of dollars. The station reflects the District's commitment to caring for its first responders and responsibly managing public resources.

Guests will enjoy a ceremonial chain cutting, a brief station tour, and light refreshments. Casual attire is encouraged.

Join us as we celebrate the District's history, welcome its newest station, and recognize the firefighters who serve and protect our community.
